

## **A Message for Titch**

Here we are on the 28<sup>th</sup> October,  
Now it's an important day, so try not to fall over.  
After about two and a half years together, you're tying the knot,  
You make sure he appreciates what he's got!  
Your eyes met originally over a crowded congregation,  
When he later popped the question on a Devon hill, you were filled with elation.  
There's been lots of planning, headaches and tears,  
But you've planned a great Wedding day that will be remembered for years!

Now I have some words of advice, to get you through,  
Cos I'm your best friend, and that's what we do.  
So first, as you're walking up the aisle,  
Hold your head up high, and remember to smile.  
Sunil will be in awe of your beauty, as you walk through the door,  
We certainly can't call you Speedy Gonzales, any more.  
And most important of all, don't trip over your dress,  
If you do the Superman today, your new in laws will be far from impressed.  
Maybe stick on some 50 denier tights just in case,  
You don't want to get blood, on that ivory lace.  
When it comes to having a dance, make it nice and slow,  
Not that crazy routine from "Never gonna let you go"

Have an amazing honeymoon that you'll remember for life  
A chance to get familiar with being husband and wife  
And when you get back make sure you drop me a text  
And you can tell me about all the fabulous \*\*\*!  
But seriously I hope you have an amazing day,  
As my best friend I love you in every way.  
And as words of congratulations come from those who wish you well.  
Remember your biggest hug of the day will come from Omar and Michelle

**Congratulations**
